COMMUNITY PARENTS NEWSLETTER

Volume 18, Issue 3

25 May 2017

From the Desk of the Principal – 2017 Term 2
Mdm Aini Maarof

Dear Parents,

Term 2 has been filled with enriching and exciting experiences for our students.

Three Awards Presentations were held during the second week of the term. We celebrated and honoured the efforts of 253 present and former students. We also awarded 18 staff for their dedication and hard work, as well as 16 partners for their unwavering support and partnership with the school.

Our Performing Arts CCAs were very focused in their trainings for the 2017 Singapore Youth Festival (SYF) Arts Presentation. Through these intense trainings, our students learnt to persevere and keep striving for the best. Preparation for the SYF also facilitated the development of character, team building and a greater appreciation of the arts. The hard work of both our students and teachers paid off with the following achievements:

- Indian Orchestra – Certificate of Accomplishment
- Symphonic Band – Certificate of Accomplishment
- UP:ON Stage – Certificate of Accomplishment
- Uniqvoices – Certificate of Distinction
- Unique Dance Fusion – Certificate of Distinction

Our Boys' Brigade have also sustained its sterling performance by clinching GOLD in the J M Fraser Award for Excellence.

MSG Heng Hong Quan, Sec 4E4, from NCC (Air Squadron) was awarded the Outstanding Cadet Award 2017 for his excellent leadership qualities. Another cadet, Gerald Kang Ming Xuan, Sec 3E3, has been selected to participate in the NCC International Cadet Exchange Programme (ICEP) in South Carolina, USA during the June Holidays.

In Sports, our 'B' Division Basketball (Boys) has done the school proud once again. The boys overcame all odds to reach the finals in the National rounds and emerged First Runner Up in the 2017 National Basketball Championships.

As part of holistic education programme, all Secondary 1 students attended a 12-week Aesthetics Education programme. They had the options of learning either Guitar, Pop Vocal or Dance. At the end of the programme,

they were given the opportunity to showcase their skills at the first Sec 1 Live@Lunch AEM showcase held on 18 May 2017. The performance was a success. A big thank you to all parents who attended the showcase. The support from parents was very encouraging.

On the academic front, many students performed well in their Mid-Year Examinations. My heartiest congratulations to these students for their efforts in taking ownership of their learning and not giving up, even when the going got tough.

For those students who need more time to build a stronger foundation, I encourage them to make use of the June Holidays to reflect and plan for improvement. Do remember that the brain works like a muscle that can only grow through hard work, determination, and lots and lots of practice. It is effort, hard work and practice that allows one to achieve one's true potential.

To our Sec 4 Express and Sec 5 Normal Academic students who will be sitting for the O-Level MTL Written Examination on 29 May 2017, we wish them success.

During this action-filled term, our teachers were always around for the students to provide them with the care and guidance. Without the passion and dedication of our teachers, our students would not have achieved so much. Please join me in thanking all our teachers for their commitment and support towards the development of all our Unitians!

Wishing all a restful and enriching June Holidays!

Strategic Thrust 1: Grow As a Team with Passion and Professionalism

All staff are committed to grow as a team with passion and professionalism

1.1 Welcome new staff to Unity Family

We would like to welcome the following new teachers posted to Unity Sec School effective 12 June 2017.

1. Mr Neo Jun Jie, Jeremy (Physical Education/Maths)
2. Miss Chen Ying (English Literature/Biology)
3. Miss Fatin Farahlyna (Malay Language)

We also welcome the following teacher who is attached to the school for five weeks of teaching practice.

1. Miss Zoe Chan Zhong Yi (History/English Language)

Strategic Thrust 2: Every Student, An Engaged Learner

Every student can be an engaged learner and we are committed to develop all students to be self-directed learners and to achieve academic excellence

2.1 June Holiday Lessons

The schedule for the coming June holiday lessons can be found in **ANNEX A**.

2.2 Department Academic Achievements

2.2.1 Leaders of English Programme

The Leaders of English Programme (LEP) is a 3-year English and English Literature programme in Unity Secondary School for students who are talented and passionate in English. The programme provides students with exposure, platforms and opportunities to develop their English language while nurturing their creativity and communication skills.

This year is LEP's second year, and we kick-started Semester 1 with a bang after a wonderful learning session from the acclaimed playwright and poet, Alfian Sa'at. Following that, our students, through their various specialisations – the Writing Division, the Creative Division and the Editorial Board – participated in writing modules, writing competitions, play-writing workshops with the renowned playwright, Jean Tay Inn, and curated our school's first publication of student essays.

It has indeed been a fruitful and eventful semester of learning, with even more to come! LEP students will be writing and acting out the script for their own play for our school's Gusto! Showcase in June! See you there!

2.2.2 Singapore Mathematical Olympiad

The Unity Mathematics Department has introduced a new programme named Unity Advanced Mathematics Programme (AMP) 2017. The aim is to grow and deepen the interest of students, heightening their passion and resilience towards Mathematics. This programme equips the students with problem solving skills by developing their Mathematical intuition, reasoning, logical, creative and critical thinking.

Students are required to pass an aptitude test in order to be selected for the programme. The programme comprises of Mathematics workshops, trainings and competitions that will enrich their learning of Mathematics.

In April 2017, the AMP students took part in the Singapore and Asian Schools Math Olympiad (SASMO) 2017 competition. It is our pleasure to announce the commendable results by them. They are:

Name	Class	Award

2.4 2017 Semester 2 Class Timetables

Class timetables will be available on 23 June 2017 from 10am onwards. Hard copies of the timetable will be available at the General Office and soft copies can be downloaded from the school website.

For Sec 4NA, Sec 4E and Sec 5NA classes, Examination Revision Programme (ERP) will start at 3.15pm (Monday and Thursday), 2.45pm (Wednesday) and 2.15pm (Friday). There will be no ERP on Tuesday. This platform provides students with opportunities to practise mock exam papers in preparation for the coming National Examinations. Details will be provided when school reopens.

2.5 Early Admission Exercise (EAE) and Direct School Admission – Junior Colleges (DSA-JC)

Polytechnic Early Admission Exercise (EAE) is an aptitude-based admissions exercise that allows Sec 4E and 5N students to apply for and receive conditional offers for admission to Polytechnics prior to receiving their GCE O-level examinations result.

The application will commence on **22 Jun 2017** for admission in AY2018. Students who successfully applied for EAE will not be allowed to take part in Joint Admission Exercise (JAE).

For further details, please refer to the respective polytechnic websites or log on to the following website: www.moe.gov.sg/admissions/direct-admissions/eae. Interested students can apply via www.polytechnic.edu.sg

ITE EAE will commence on **21 June 2017**. For more information, you may refer to the ITE website at www.ite.edu.sg

DSA-JC is an admission exercise to allow JCs to select Secondary 4E/5N students for admission to JC1 based on their achievements and talents before the GCE 'O' Level examination results are released. The 2017 DSA-JC Exercise will be conducted from **27 June 2017 to 31 Aug 2017**. Visit the participating DSA-JC school's websites to check their application dates, areas of focus, their selection criteria and selection processes. For further details, please log on to <https://www.moe.gov.sg/admissions/direct-admissions/dsa-jc> or call MOE Customer Service Centre at 6872-2220.

The list of participating JCs in the 2017 DSA-JC Exercise is attached in **ANNEX D**.

Strategic Thrust 3: Every Student, An Inspiring Leader

Every student can be a committed and inspiring leader and we are committed to develop all students into leaders guided by sound values and effective life skills

3.1 Character and Leadership Development (CLD)

3.1.1 Unity Students' Values-In-Action (VIA) Programme

Our students have completed the following Values-In-Action (VIA) programmes:

- Sec 1: Newspaper Collection in School for the Children's Charities Association and Operation Keep Clean, Yew Tee! Community Cleaning
- Sec 3: Class-Initiated VIA on Social Issues in Singapore
- Sec 4 & 5: Commemorating International Friendship Day "ASEAN 50" through Symposium on Global Issues
- All: Keep Unity Clean Movement – Cleaning of Canteen

The pictures below feature some of our students putting their responsibility and commitment into action as they contribute to the cleaning efforts of the school's popular common area – the canteen.

At the end of each VIA programme, students will reflect on their learning in their individual reflection log on how they have led themselves and served others through the programmes. This helps them to internalise the values they have learnt.

On top of the VIA programmes listed above, students also organise Student-Initiated VIA activities to put their values and leadership skills into action. The Sec 2 students will be involved in organising a Fun Fair to raise funds for the Society for the Prevention of Cruelty to Animals (SPCA) as part of the End-Year Leadership Learning Week programmes.

3.1.2 Character and Leadership Development (CLD) Assessment

As shared in the first issue of the newsletter, our school adopts a whole-school approach to develop every student as a committed leader guided by sound values and effective life skills. This is done through the weekly Character and Leadership Education (CLE) lessons as well as the various experiential learning platforms in the areas of Values-In-Action (VIA), National Education (NE), Aesthetics Education Programme (AEP),⁸

Environment Education Programme (EEP), Education and Career Guidance (ECG) and Co-Curricular Activities (CCA).

In line with the emphasis on the Character and Leadership Development (CLD) of our students, the CLD Assessment is implemented annually to provide students with a holistic overview of their character and leadership development. It also serves to affirm, recognise and motivate students in their leadership learning.

The CLD assessment comprises two key areas: Character and Leadership Education (CLE) and Co-Curricular Activities (CCA). A set of rubrics has been developed to assess the extent to which our students demonstrate the school values, leadership competencies and citizenship in the classroom as well as through their co-curricular activities. There are three levels of assessment: Teacher-Assessment (2 Form Teachers (FTs) and 1 CCA teacher), Self-Assessment (the student himself / herself) and Peer-Assessment (an assigned peer who knows the student).

The CLD assessment will be conducted in Term 3 and the results will be consolidated and captured in the CLD Report, which will be issued together with the Progress Report in Term 3 Week 10 by the FTs. This CLD Report is to be kept in students' report books as a point of reference for their holistic development reporting.

We believe that assessment is an integral part of the holistic development of students and it will motivate them to demonstrate positive values, leadership competencies and citizenship in their day-to-day activities. We look forward to your partnership in nurturing our students to be committed leaders guided by sound values and effective life skills.

Should you have any queries, you may contact Ms Tiffany Koh, HOD/ Character and Leadership Development at 67671070 ext 364.

3.1.3 Character and Leadership Development (CLD) Awards

In line with the school's focus on the character and leadership development of our students, the school has put in place a number of character and leadership awards to recognise our students' efforts and contributions as well as their exemplary behaviour and leadership. These include the Unity All-Round Excellence Award, Outstanding Unitian Award, the CCA Commendation Award, Student Role Model Award and Unity Leadership Award.

MOE also gives out the Edusave Awards to recognise students who have shown exemplary values, character and civic responsibility through their actions, who strive to overcome the odds, who excel in academic and non-academic areas, and who display leadership qualities. These include the Edusave Character Award (ECHA) and the Edusave Award for Achievement and Good Leadership and Service (EAGLES).

We look forward to recognising your child's efforts and contributions, as well as their exemplary character and leadership through the various CLD Awards.

3.2 CCA Leaders Appointment & Appreciation Ceremony

The annual CCA Leaders Appointment and Appreciation Ceremony was held on 24 April 2017, during which outgoing CCA leaders received letter of appreciation from our Principal, Mdm Aini in recognition of their service. The school also welcomed incoming CCA leaders and witnessed their commitment to serve when they took the CCA leaders' pledge. The newly appointed CCA leaders of the different CCAs are as follows:

We wish these CCA leaders all the best in actualising self and inspiring others for the year ahead.

3.3 June Holiday Leadership Learning Programmes

The schedule for the above programmes can be found in **ANNEX B**.

Strategic Thrust 4: High Care, Strong Discipline, Actualising Potential

Through high level of care from the school, our students exude strong discipline and are able to realise their potential

4.1 Discipline and Code of Conduct

Our Strategic Thrust 4, High Care, Strong Discipline, Actualising Potential, guides us in cultivating student holistic development through high level of care and discipline in the school, so that all students carry themselves with self-discipline and personal pride.

In this regard, the school emphasises much on decorum which is an important indicator of students' self-discipline and personal pride. We believe in working closely with parents to monitor the students' decorum. The Discipline Committee has issued a Notification Letter at the beginning of the year to all parents to keep parents informed of the Decorum Checks. The Discipline Committee will be conducting Decorum Checks regularly during morning assemblies.

To ensure that our students are focused in their learning to actualise potential, the use of electronic devices should primarily serve as tools of communication in times of emergency and not serve as distractions. Students are not to use their mobile phones in any venues deployed for teaching and learning. These venues include academic blocks, all classrooms, laboratories, library, special rooms, school hall etc. The use of electronic devices is not allowed during official school activities, including change in lesson periods, unless sanctioned by the teacher-in-charge. Students who infringe rules on the usage of mobile phones and other personal electronic gadgets may have their devices confiscated. More information can be found in our school website and Student Handbook.

4.2 Holistic Health Education

Influenza

Influenza, also known as the flu, is an infection caused by Influenza viruses. Despite being commonly confused with the common cold which is caused by other respiratory viruses, influenza is usually more severe.

Definition & Characteristics

There are three main types of viruses responsible for Influenza infections – Type A, Type B and Type C. Influenza A and B are associated with annual outbreaks and epidemics. Influenza C is associated with mild sporadic illness and occurs less frequently than Influenza A and B.

How Influenza Spreads

Influenza is spread from person to person through respiratory droplets propelled by coughing and sneezing. Influenza can also be passed on through contact with contaminated surfaces, for example touching an object like a doorknob or telephone receiver that has been recently handled by someone who is infected with Influenza and then touching the nose or mouth. Adults may be contagious from one day before the onset of symptoms till 5 to 7 days after onset. Children and persons with weakened immune systems may be infectious for longer periods of time.

Symptoms

Influenza is characterised by a sudden onset of symptoms such as:
Fever, Headache, Chills, Cough, Sore throat, Muscle aches, General malaise and fatigue

Gastrointestinal symptoms, such as nausea, vomiting or diarrhoea, can sometimes accompany Influenza, especially in children, but these symptoms are rarely prominent.

What to Do If You Have Influenza

If you suspect you have an Influenza infection, you should stay home and avoid contact with other people except to seek medical care. You should also avoid strenuous physical activity such as jogging and running during the illness until complete recovery. Most people with Influenza have mild illness and do not require medical care or antiviral drugs. If you are concerned about your illness, please consult your doctor. However, people at higher risk of developing complications of Influenza should consult their doctor on the need to be examined if they get Influenza-like symptoms.

Seek immediate medical attention if you experience the following warning signs:

Adults	Children
<ul style="list-style-type: none"> Breathing difficulty Pain or pressure in the chest or abdomen Confusion Persistent vomiting Sudden dizziness Influenza-like symptoms that improve but then return with fever and worse cough 	<ul style="list-style-type: none"> Breathing difficulty Bluish skin colour Fever with a rash Not drinking enough fluids Not waking up or not interacting Being so irritable that the child does not want to be held

Treatment of Influenza

Antiviral medications are currently available for the treatment of Influenza. They can help reduce the severity of symptoms and promote recovery. To be effective, antivirals should be taken within the first two days of illness. Antivirals can be classified into:

- adamantanes (eg amantadine and remantadine) and
- neuraminidase inhibitors (eg oseltamivir and zanamivir)

Precautions You Can Take

- Annual Influenza vaccination is recommended to protect against Influenza, especially for individuals belonging to populations at higher risk of complications of Influenza.
- People living and caring for high-risk individuals should also be vaccinated against Influenza.
- Practising good personal hygiene to prevent the spread of Influenza. Wash your hands regularly and thoroughly with soap and water, especially before touching your eyes, nose or mouth.
- Turning quickly away from anyone and cover your nose and mouth with a tissue when coughing and sneezing. Avoiding crowded places if you are unwell.
- Staying home from work or school when you are sick.
- Using a serving spoon when sharing food at meal times.

Strategic Thrust 5: Strong Organizational Capabilities, Effective Administration

We develop strong organizational capabilities and effective administration to support students' and staff development

5.1 School Operating Hours during the June School Holidays

General Office: Mon – Fri from 0700 – 1800hrs

Bookshop:

Dates	Time
29 May – 2 Jun 2017 (Mon – Fri)	0800 - 1200
5 – 9 Jun 2017 (Mon – Fri)	Closed
12 – 16 Jun 2017 (Mon – Fri)	Closed
19 – 23 Jun 2017 (Mon – Fri)	0800 - 1200

Printing Services:

Dates	Time

5 – 9 Jun 2017 (Mon – Fri)	Closed
12 – 16 Jun 2017 (Mon – Fri)	0800 - 1200
19 – 23 Jun 2017 (Mon – Fri)	0800 - 1200

5.2 Temperature Taking Exercise

The Temperature Taking Exercise is conducted twice a year and aims to maintain school's preparedness to re-activate the temperature-taking regime should there be a need to. It also serves to educate staff and students to take personal responsibility for their own health and practise social responsibility.

Please note that the second temperature-taking exercise of 2017 will be conducted on **Friday, 30 June 2017**. Please ensure that your child has a working thermometer during the exercise.

5.3 15 Year Old NRIC Registration at School

The ICA's mobile registration team will be visiting the school on **Monday, 10 July 2017** to conduct the NRIC Registration for 15 year-old students.

ICA will be sending notification letters to the affected students through the parents two weeks before the appointment date. Do remind your child to bring along the required documents as stated in the notification letter on the day of the registration. Your child will receive his/her NRIC on **Friday, 15 September 2017** from the Form Teachers during the CLE lesson.

5.4 School Health Services

The Annual Health Screening Exercise will be held from **24 July – 2 August 2017**. It will involve the Sec 1 to Sec 4 students. More information will be made known to the students nearer to the date.

5.5 Reporting of Travel History

As part of emergency preparedness, all students with the intention to travel overseas during the June holidays are required to declare their travel plans.

Declaration is made via the MOnline portal (https://www.monline.sg/LEAD/login/lms_login.aspx) using the student's Login ID.

Please refer to **ANNEX C** for the instructions to declare the travel plans.

5.6 Updating of parents' contact details and commuting status

As it is important for the school to have the updated contact details of all parents, it would be appreciated if parents could inform the school of any changes to their contact details promptly.

Also, if your child is commuting to school daily or weekly (eg, coming to school from Johor), please update the school promptly as this information is critical as part of our emergency preparedness.

5.7 Safety Updates

In View of the "Very Warm Temperature", How Do We Beat the Heat!!

- Wear loose-fitting, heat-permeable and light-coloured clothing
- Drink fluids to stay hydrated
- Take more breaks between activities
- Reduce outdoor activities during the hot part of the day or stay in the shade
- Plan your sport and exercise activity in the cooler hours of the day
- Watch for symptoms of heat-induced illness and seek medical attention

Protection Against Excessive Exposure to Ultraviolet (UV) Radiation

- Some UV exposure is important for health functions such as Vitamin D production in the body and treating diseases like jaundice in babies.
- Excessive exposure to solar UV radiation can result in harmful effects to the skin and eyes. If you must be out in the sun, especially between 11am and 3pm when the UV index levels are highest, the following simple protective measures can help to minimise the effects:
 - Use sunscreen (at least SPF 30)
 - Use umbrella and seek shade
 - Wear sunglasses that block UV rays
 - Wear broad-brimmed hat

Strategic Thrust 6: Synergistic Partnerships

We build synergistic partnerships with parents and other stakeholders to support students' and staff learning and growth

6.1 Activities organised by Parents Support Group (PSG)

The PSG EXCO members have put together a series of events and activities for the entire year. PSG would like to thank all parents for their continuous support for all the events and activities organised.

Completed activities:

- Dads for Life Bowling – 25 February 2017
- Fine Dining Experience @ Amber West, ITE College West – 17 March 2017
- Sharing Session: Tales of Wondering Family by Mr Alvin Yong (School Advisory Committee Member & Ex-PSG Chairperson) and Cyber Security: Are we safe? by Mr Gregory Wong (PSG Exco members) – 19 May 2017
