Concerned About Your Next Steps?

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you.
- Remember that the O-Level examination is not the end point and is only one part of your life journey.

Do

- Have conversations with trusted adults who know you well to advise and guide you (parents, teachers, ECG Counsellor).
- Decide and act based on your options.

Managing your emotions

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Reaching out for support is a sign of strength

If you have questions about your options or are not coping well, you can reach out to trusted adults such as your parent/guardian, teacher, School Counsellor or ECG Counsellor. You can also talk to a trusted friend.
