# Self-Introduction

Name: Hao En

School: Ngee Ann Polytechnic, School of ICT
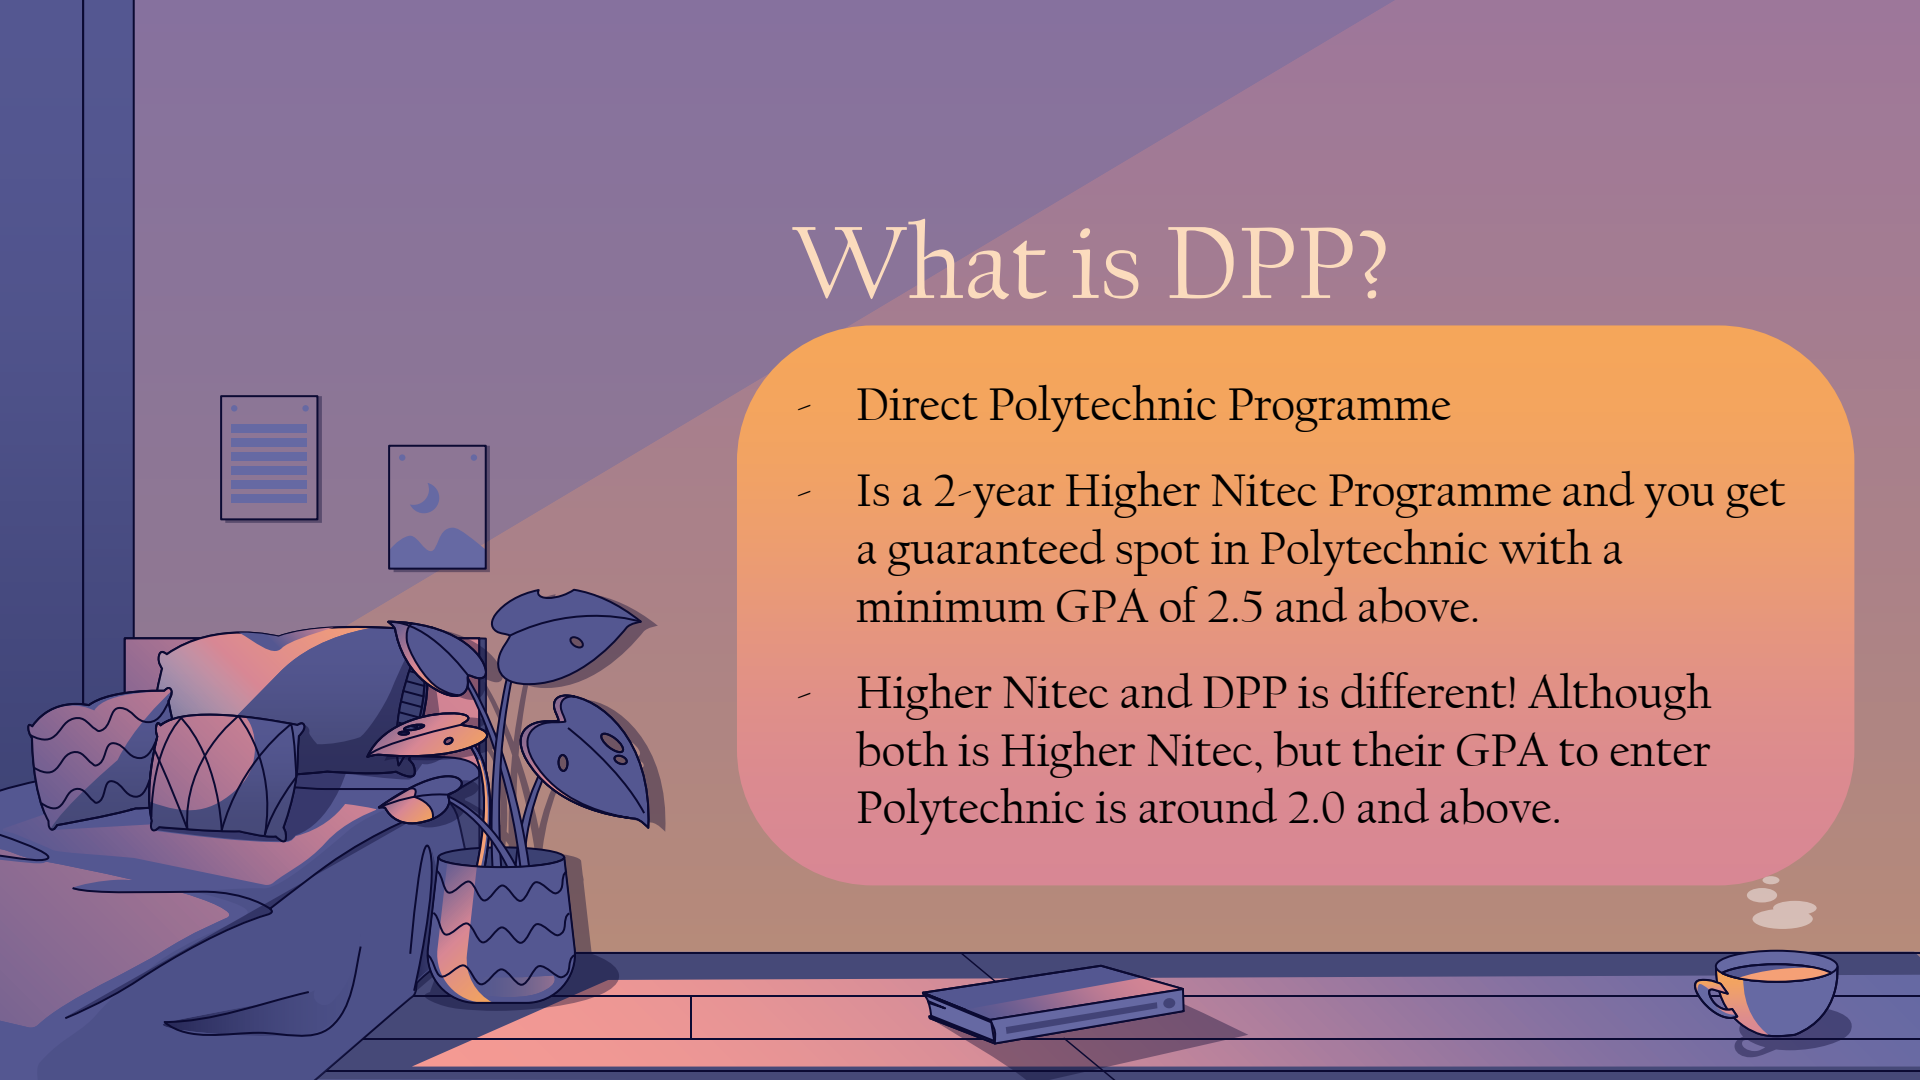

Current course: Data Science Year 1

CCA: Board Games Club

Post Secondary Plan

What is DPP?

- Direct Polytechnic Programme

- Is a 2-year Higher Nitec Programme and you get a guaranteed spot in Polytechnic with a minimum GPA of 2.5 and above.

- Higher Nitec and DPP is different! Although both is Higher Nitec, but their GPA to enter Polytechnic is around 2.0 and above.

Entry Requirements

- Have a total ELMAB3 of less than 19 points

- To get into the course you want specifically, follow the entry requirement points. Most of them require 15 and below.
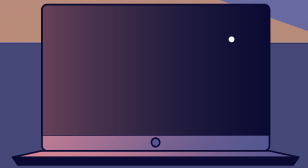

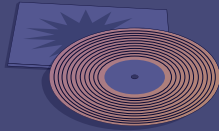

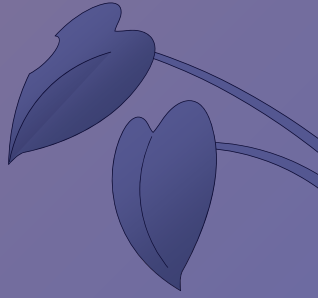

Previously.....part 1

DDP Course

Higher Nitec in IT Application Development

Years Study

2

CCA

Fabric Of Life (FOL)

Learning Experience

The lecturers were very patient and lenient with our work. Help in every way they can to let us pass. Improved my creative thinking and designing skills.

Previously.....part 2

Modules Learnt
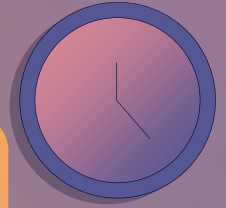

- Mobile Applications Programming (MAP)
- Web Content Management (WCM)
- Applied Python (PA)
- Interactive Applications Development (IAD)
- Basic Mathematics (BM)

...etc

Industry Attatchment Experience

Honestly, I wasn't happy with what I was being assigned to...Worked as a cashier which was not related to my course at all. One of my friends is working as a packer too.

After ITE?

Now.....part 1

Poly Course   Data Science

Years Study   3

CCA   Board Games Club

Learning Experience   The workload is still quite manageable. Everything is very fast paced, every week learning new things. And very fast there will be common test and assignments. CHIONG AH!!!
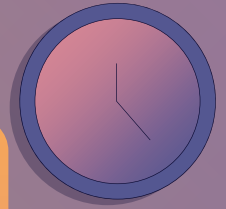

Now.....part 2

Modules Learnt

- Data Discovery & Visualisation (DDV)
- Programming (C sharp & Python)
- Databases (DB)
- Mathematics for Data Science (MDS)
- Design Principles (DP)
...etc

Additional Module

I have decided to take up an additional module is Minor in Social Media Marketing. When graduate, we will get an extra certificate for that module too!

Entry Requirements

- For Data Science course, DDP entry requirement is 2.5 which was mentioned previously.

Achievements

OBJECTIFS
Centre for Photography and Film

CERTIFICATE OF PARTICIPATION

This certificate is awarded to

Pua Hao En

for having successfully completed the course

Digital Filmmaking Workshop
conducted by Objectifs

Dates

23 June 2021

What I did for studies

To be honest.....

I procrastinated so much till the last minute ☺ even now heh heh
But still manage to get a score that is still acceptable for me

But now.....

- Finish all work in school

- Working independently to reduce distraction

- Best if create a study calendar to take note of the upcoming test and assignments

- Ask friends and lecturers for help

- Fully utilize school and online recourses

- Retrieve key points from slides and put it into a mind map

Advice & Tips

For parents...

Try not to give your child too much pressure, because they are doing what they can achieve too.

As for choosing the course, it is best if you can accept what your child wants or interests in. Which school doesn't matter because not all schools is a bad school.

For Students...

PLEASE DON'T PROCRATINATE till the very last minute. Everyone has different studying method, so it is really depending on yourself.

As for choosing the course, please choose the course that suits your interest or what you are strong at.
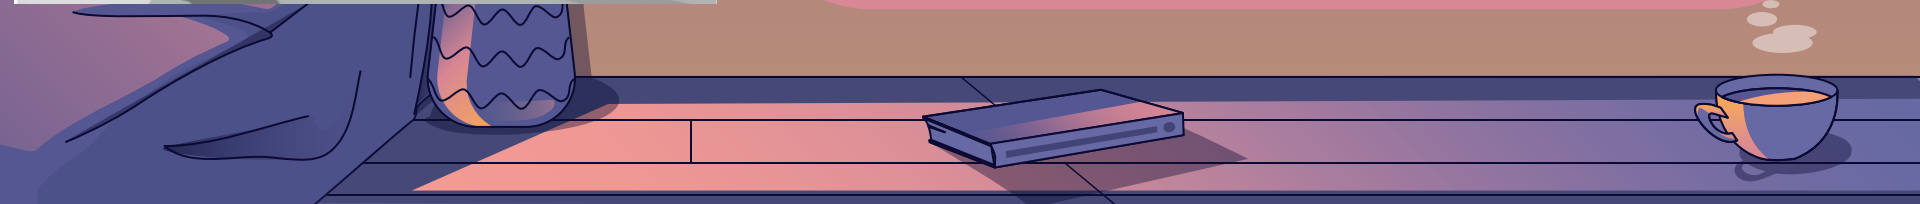

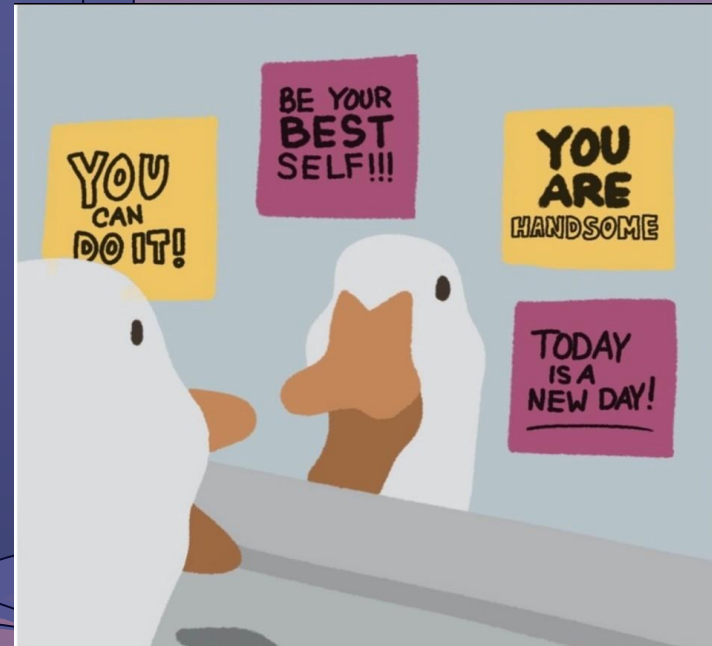

THANK YOU!
ALL THE BEST FOR YOUR
FUTURE!
